

Fence Posts

Headquartered in Lake Oswego, OR, Westlake Timber Supply has strategically placed inventories placed across North America with the ability to deliver wherever and whenever material is needed.

Westlake Timber Supply offers a wide variety of lengths and dimensions as well as both Creosote and CCA (Chromated Copper Arsenate) treatments.

All posts are pressure treated per AWPAs standards.

Customize any pole or post to your desired specification.

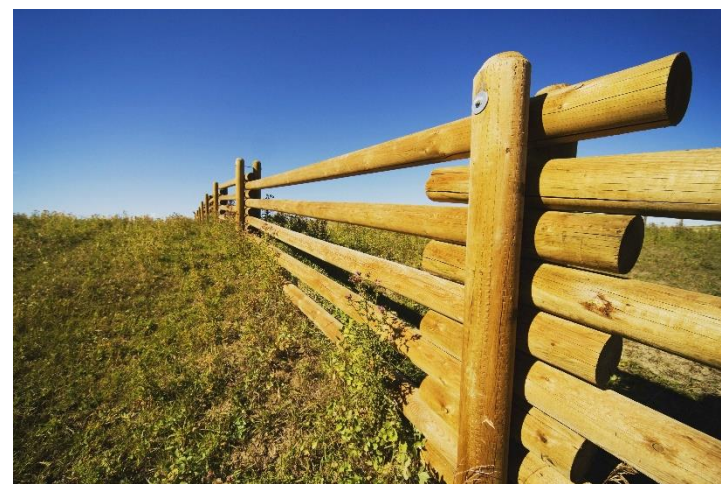

Offered in both single bundle and truck load quantities, our logistics team can deliver nationwide, no matter the distance.
