Minimum 8'	15	Call

FENCE POSTS

We maintain inventories of a wide variety of lengths and dimensions as well as both Creosote and CCA (Chromated Copper Arsenate) treatments.

Offered in both single bundle and truckload quantities, our logistics team can deliver nationwide, no matter the distance.

CREOSOTE: Pressure treated per AWPA Standards / Min 8# per cubic foot retention
CCA: Pressure treated per AWPA Standards / Min .40# per cubic foot retention
